Hi Nonvikan Karl-Augustt,

Don't miss out on the exciting webinar happening in 1 hour discussing the future of data-centric security with the CISO of Pfizer and CDO of IKEA. If you are looking to improve data security while streamlining data access at the same time, you need to tune in!

What you'll learn:

- The urgency for cloud data-centric security
- The unique and practical needs of the Data owners and the Security teams
- How to build a security "single source of truth" approach that meets the needs of both teams
